## Shaping Lives for a Better Tomorrow

The main objective of Indiabulls Foundation is to do meaningful work with measureable output and maximum impact on the society.

We strive to connect philanthropic opportunity with demonstrated need. With fierce determination, we mobilize hearts, minds and resources to create an equitable future for all families and communities, be it in the field of Health, Education, Sanitation, Nutrition or Women / Youth Empowerment. We aim to contribute in creating a society where every person has access to resources and opportunities which will help them remove barriers and enable them to make the most out of their lives.

We yearn to aspire to transform India with passion and fortitude to build a stronger and a healthier nation.

## Health

### JanSwasthya Kalyan Vahika

Indiabulls Foundation provides primary healthcare services to the underprivileged population through JanSwasthya Kalyan Vahika™. 7 medically equipped mobile vans: 4 in Mumbai, 2 in Raigad and 1 in Thane region are assigned for this noble cause. Each van covers 15-16 locations per week on rotational basis, diagnosing 100 patients per day and about 2,00,000 patients per year.

### IBF Charitable Medical Clinic

Free Charitable Medical Clinics in the slum areas of Mumbai is an ongoing initiative of IBF, which amplifies the healthcare aid and reaches towards the underprivileged society. Qualified medical personnel and six days a week operations ensure timely and effective healthcare to weaker sections of society. IBF Charitable Clinics have successfully diagnosed and treated more than 30,000 patients till date. IBF aims to set up more such free medical clinics in remote and low income areas to cater to the primary healthcare needs of underprivileged patients.

### Medical Health Camp

Good health and well-being are essential to every human being. Healthcare in rural India is not accessible for most, especially at their doorstep. Indiabulls Foundation recognizes this need and conducts free health check-up camps in remote areas of Thane, Raigad and Palghar. Regular health check-up camps for such areas are always in collaboration with local organizations or NGOs.

### Cleft Surgeries

Extending its initiatives in the thrust area of Health, Indiabulls Foundation has sponsored free surgeries of 600 children suffering from cleft deformities last year and this year too is supporting an equal number of children taking the total beneficiary count to 1200.

Indiabulls Foundation in partnership with Smile Train conducts free surgeries of cleft or palate deformities in 6 different cities in India namely Cuttack, Bilaspur, Gorakhpur, Burdwan, Jabalpur and Mumbai. With these surgeries not only does the facial construct of the child comes back to normality but gives the child a new sense of being and confidence.

## Sanitation

### Kumud

The dire need of hygiene amongst the rural women and adolescent girls, prompted Indiabulls Foundation to launch Kumud – Sanitary Napkins. Last year this initiative benefited over 10,000 underprivileged women and adolescent girl from various ashram schools, orphanages, shelter homes and rehabilitation centres. The foundation is reaching out to 20,000 women and adolescent girls this year.

## Education

### IBF Scholarships

Indiabulls Foundation Scholarship Program aims to encourage and promote higher education among meritorious students from economically challenged families to nurture their careers. With this scholarship, they get the chance to pursue higher education after 12th standard and launch a sustainable career. In the first year, 100 students were provided scholarships for their complete course. In the second consecutive year, IBF awarded 300 scholarships to deserving students Pan India.

### E-Learning

In an attempt to enhance the quality of education in Maharashtra, Indiabulls Foundation is supporting 31 tribal ashram schools in Thane, Raigad and Palghar districts in equipping them with highly sophisticated E-learning methods, making a powerful impact in the quality of education and gaining an increase in the number of pass outs each year. A comprehensive training has been provided to all the teachers of these school in order to enable them to use this new methodology with ease in their everyday teaching. The total beneficiaries through the e-learning module is approx. 2000 children per year.

Women empowerment is of utmost importance for the benefit of society at large. Empowerment of women in information technology is equally important in today's times. On seeing this need, the IBF computer literacy program was initialized to short stay homes for distressed women in Palghar district. Indiabulls Foundation also realizes that the approach towards women empowerment is incomplete without a livelihood programme. The foundation has formed SHGs and trained rural women to take the complete ownership of manufacturing nutrition supplement which is distributed to the underprivileged children under the nutrition programme of the foundation.

### Computer Literacy Program

The shift in worldwide computer usage and the need for computer skills in today's workforce have pushed the schools to incorporate computer education in its syllabus.

On realizing this need, Indiabulls Foundation, under its education thrust area is contributing 1000 computers to tribal ashram schools, shelter homes and night schools in Mumbai, Thane, Raigarh and Palghar districts of Maharashtra.

### My SchoolBag

With a firm belief that education is the single most powerful intervention for transforming lives, Indiabulls Foundation provided 10,000 school bags to underprivileged students of tribal ashram schools in Thane, Palghar and Raigad districts of Maharashtra. Lacking basic amenities, these children carried books to school in their bare hands making it difficult to maintain them especially in the monsoon season. The foundation aims to reach out to more students in the rural areas with such initiatives

### Women Empowerment

## Nutrition

### Paushtik Aahar

Indiabulls Foundation addresses the prevalence of malnourishment by providing Paushtik Aahar – nutrition supplement made with indigenous cereals, pulses and grains. Every month, it distributes ready-to-eat Paushtik Aahar supplements to 5000 underprivileged malnourished individuals in Mumbai, Thane, Palghar and Raigarh districts. All these individuals belong to socially and economically backward families including tribal, slum, abandoned/street children and children from orphanages & rehabilitation centres.

Paushtik Aahar has been developed and customized by engaging a nutritionist. The supplement is made of indigenous cereals, pulses and grains. It is a complete ready-to-use mix that does not require any cooking whatsoever. If consumed as instructed, Paushtik Aahar improves an individual's immune system considerably thus helps preventing and combating malnutrition.

### Gaushala

Indiabulls Foundation has introduced a sustainable Gaushala project at a residential tribal ashram school in Thane district. The Gaushala has been set up with the primary objective of reducing malnutrition amongst the tribal children studying in the school by providing them fresh milk everyday. Over 500 children are benefited from this initiative. The school sells the surplus milk and the money earned is ploughed back, thus making it self-sustainable. Moreover, as a by-product, cow dung is used to produce bio-gas, which is used for cooking meals in the school.

## Relief

### Kashmir Relief

Indiabulls Foundation provided timely relief to 10,000 flood affected people in Kashmir by providing them nutrition supplement which improves their immune system and ensures good health. It reached out to the areas which were badly hit by the floods like Srinagar, Argutnu, Kelam amongst other areas.

### Nepal Relief

Indiabulls Foundation also reached out those affected by the earthquake in Nepal. It offered much needed relief by sending out 10,000 nutritional packets to those affected by the natural disaster. The ready-to-eat nutritional supplement provided well needed nourishment to the affected people. Indiabulls Foundation in conjunction with Goonj had taken up the endeavor of reaching out far and wide to help the earthquake victims and ensured that the people of Nepal get all the help they deserved.

## Rural Empowerment

### Rahat

Indiabulls Foundation sponsored a water project as part of their rural empowerment initiative called 'Rahat' at Dadade Tribal Ashram School, Thane district, Maharashtra. In spite having toilets in the school, children were compelled to go to the nearby river for all their basic needs like bathing and toilet due to scarcity of water. With this initiative, water is now pulled from a well and supplied to the school and stored in water tanks. 1177 children at this school are at complete ease and are getting water directly in their school toilets.
