

# DLF Foundation

**Building Lives**

DLF Foundation, established in 2008 as the philanthropic arm of DLF Limited, empowers communities and creates opportunities for the underprivileged by promoting inclusive growth. The **Village Cluster Development Programme**, a major flagship initiative aims to transform several clusters of villages into vibrant “Model Villages”. The **Nurturing Talent Programme** provides support financial support and the much needed mentoring, soft skills training and career guidance to meritorious underprivileged students so that they pursue a career in a field of their choice. **Skill-a-Million Programme** is engaged in providing skills training and job placement with an aim of training one million youth in next 8 to 10 years. We also launched the **Swachh Haryana Campaign** in a big way and the campaign involves undertaking a range of sanitation initiatives in Gurgaon and the surrounding areas.

**VILLAGE CLUSTER DEVELOPMENT PROGRAMME** a major flagship initiative that aims to transform several clusters of villages into vibrant “Model Villages” and make them self-reliant. A wide range of interventions are undertaken in areas such as Healthcare, Sanitation and Hygiene, Community Empowerment, Education and Infrastructure development including construction and resurfacing of roads, schools and drainage systems, up-gradation of street lighting, building boundary walls, creation of waste processing centers and drinking water infrastructures. Over one lakh people have benefited directly from this programme annually.

*Microenterprise for Women*

*Dental care*

*A Mobile Medicare Unit*

**SKILLS DEVELOPMENT PROGRAMME** is engaged in providing skills training and job placement with an aim of training one million youth in next 8 to 10 years. Over 42 DLF Skill Centres have been established. An average placement rate of 72% was achieved last year which was much higher than the 42% placement rate achieved by NSDC. Under our Skill-A-Million Programme, a total of 15,000 unemployed youth have been trained till date.

*Training in Paramedics*

*Training for BPO & IT*

**URBAN UNDERPRIVILEGED PROGRAMME** - The programme specifically aims to address the challenges faced by the underprivileged communities residing in urban villages and slums. The programme focuses on providing adequate health facilities, education opportunities, skill development & access to employment and income generating opportunities.

*DLF Shiksha Education Centre*

*Health Check Up at DLF Wellness Centre*

**INTEGRATED NURTURING TALENT PROGRAMME** that aims to deliver quality education to underprivileged children through various educational initiatives impacting the lives of over 18,000 students. Under this initiative, we also run a special Nurturing Talent Programme for the most talented scholars by transferring them to good private English medium schools in their neighborhood. Thus, the programme not only extends scholarship but also undertakes constant monitoring, coaching and guidance to groom future leaders. It also covers scholars in professional categories including MBBS, Engineering, Sports, Arts and Management.

*A group of DLF Scholars at a Summer Workshop*

*DLF Scholar awarded by HM Queen Elizabeth*

**SWACHH HARYANA ABHIYAN** involves undertaking a range of sanitation initiatives aligned with Prime Minister's call for Swachh Bharat Abhiyan. Under the programme, several initiatives such as creation of waste management infrastructure, installation of dustbins, deployment of 'Safaimitras', providing cycle-rickshaws for garbage collection, deployment of garbage removal vehicles, installation of public toilets and construction of water harvesting structures.

*Waste Management Unit*

*Public Toilets for Urban Underprivileged*
