

## ABOUT DLF FOUNDATION

Under the direct patronage of Mr. KP Singh, who is the Chairman of DLF Group, DLF Foundation believes in 'building India' by transforming stagnant lives into active partnerships through synergized proactive action in the areas of Education, Skill Development, Healthcare, Community Development, Infrastructure development, Labour Welfare and Environment. DLF Foundation was founded in 2008 as the nodal organization for undertaking the various social initiatives of the DLF Group for the betterment of society. The guiding principles of DLF Foundation include serving the downtrodden, marginalized and underprivileged; addressing the felt needs of communities; seeking people's participation; and positively utilizing DLF's core competencies to develop sustainable development initiatives.

## VISION

*Building India's Human and Social Capital by Nurturing Healthy Educated Enterprising and Sustainable Communities*

## MISSION

*Empowering communities by creating multiple opportunities and providing platforms for the underprivileged by promoting inclusive growth which is holistic, sustainable and socially uplifting, thus enabling them to emerge as significant contributors in India's growth story.*

## INITIATIVES

### MILLION JOBS PROGRAMME

DLF Foundation has launched a major flagship initiative with the aim to skill and provide jobs to one million youth across the country in the next 10 years in the areas of IT, Construction, Electronics, Retail, Customer Services and Hospitality and provide them assured employment. The Foundation aims to fulfill the void that exists presently in the social milieu by establishing 250 training centres across the country, equipped with the best in curriculum, technology and faculty.

### NURTURING TALENT THROUGH SCHOLARSHIP

"DLF Raghvendra Scholarship" has been launched by DLF Foundation to support such meritorious underprivileged students who are transferred to private schools which are equipped with the best in infrastructure and have excellent track performance. Over 875 scholarships per year are being rolled out for School Scholarships (Class VI to XII), Undergraduate Scholarships (Engineering, IT, MBBS, Fine Arts and Sports) and Post Graduate Scholarships (MBA or Equivalent).

### EDUCATION FOR THE UNDERPRIVILEGED

**Schools for Slum Dwellers:** The DLF Swapna Sarthak Schools have been established to provide free education to the marginalized and the underprivileged. The schools cater to a very large segment of the rural and urban slum population and enroll wards of the domestic workers, daily wage earners, and construction workers. All enrolled children are provided with free uniforms, mid-day meals and learning materials.

**Schools for Rural poor:** DLF Foundation is supporting over 30 village based schools for the underprivileged with special focus on the girl child, to provide free education to poor children in the rural underserved states of Haryana, Uttar Pradesh and Rajasthan.

**Providing Quality Education in Rural Government Schools:** DLF Learning Excellence Centres have been set up in 22 villages of Haryana by involving government schools, community teachers and village Panchayats. These Centres operate through established government schools and focus on strengthening the basic education in English, Arithmetic and Hindi while developing holistic skills by combining learning with fun.

**School for Construction Workers:** To ensure that the benefits of education reach poor construction workers, a number of schools for their wards have been established at construction project sites. These schools not only provide free education, textbooks, uniform and meals, but also ensure holistic development of the bright young faces.

## COMPREHENSIVE HEALTHCARE PROGRAMME

**Rural Primary Health Centres:** DLF Foundation supports rural and urban underprivileged communities by promoting health awareness and providing quality healthcare services. The centres provide free medical consultancy, diagnostics, health checkups, eye care and subsidized medicines. With a team of specialized doctors, gynecologists, paramedical staff and lab assistants, these centres are functioning in Haryana and Punjab and are linked to secondary and tertiary medical care. Comprehensive health checkup for all age groups is conducted by Medical Officers in **specialist's camps** for tuberculosis, worm infestation, skin infection and STI/HIV/AIDS. **Mobile Medicare Vans** have been introduced to provide healthcare facilities in 12 additional villages.

DLF has established a state-of-the-art **Veterinary Hospital**, the first of its kind in India, in Gurgaon, with modern operation theatre, laser surgery facility, pet holiday home, along with animal food. The hospital caters to animals in urban and semi-urban areas, while rural population is covered by regular mobile veterinary camps.

DLF Foundation is planning to establish a Tertiary Care Hospital which will provide the necessary institutional and medical linkage for the primary healthcare project. DLF Foundation is planning to establish a state-of-the-art Eye hospital in Gurgaon which will provide comprehensive eye care services and will be equipped with the best technology and team of dedicated specialist doctors.

## ENVIRONMENTAL SUSTAINABILITY

Gas Co-generation System

DLF Group's futuristic outlook encompasses a strong commitment to the use of environment friendly technologies. The use of innovative power generation systems, tapping on solar and wind energy, adoption of water conservation technologies and setting up of sewage treatment plants are indicative of the company's endeavors in this regard.

## LABOUR WELFARE

DLF has been the pioneer in introducing international quality labour hutments for its workforce in India. Modern Labour Camps have been established at many of the DLF project sites. Other social initiatives focused on construction labour include non-formal education programs, primary healthcare services, medical camps and distribution of free food to the children and families of the labourers.

## GURGAON RENEWAL MISSION LAUNCHED

A major initiative to resuscitate Gurgaon was launched under the banner of **Gurgaon Renewal Mission (GRM)** driven by a coalition of partners, comprising civil society including prominent citizens, business and government. Gurgaon, also referred to as Millennium City, is today plagued with multiple issues relating to governance, law and order, infrastructure bottlenecks, energy, water, sanitation and environmental pressures. GRM is a visible result oriented movement that was formed in November, 2011, to renew Gurgaon as the 'dream city' of India. DLF Foundation provides the infrastructure and administrative support to the Mission. The Foundation has also launched several Gurgaon focused social initiatives under

the Gurgaon Renewal Mission. In addition, the Foundation spearheads the meetings of the Task Forces, sponsors the various seminars to promote the objectives of the mission.
