Jamna Auto Industries Limited

Our CSR Philosophy is "Driven by our cultural values, we firmly believe a global business perspective goes hand in hand with local community focus. Making the world a better place for future generation is our constant endeavor"

Randeep Singh Jauhar, Vice Chairman

Organisational Brief: Jamna Auto Industries Ltd. (JAI) is India's market leader in automotive suspension solutions. We are the second largest players in the World in Multi- Leaf Springs, and have in place a full range suspension solutions for Commercial Vehicles (CVs) that we supply to major OEMs. The Company was the first to introduce parabolic springs in India. Promoted by Mr Bhupinder Singh Jauhar who started the tapered leaf spring business in 1954 in a small shop in Yamuna Nagar, it has traversed a long and eventual journey to become a market leader in the domain of automobile suspension solutions today. The company has eight strategically manufacturing units located at Yamuna Nagar, Malanpur, Jamshedpur, Pune, Chennai, Pillaipakkam, Housr and Pant Nagar.

Linkages of Thematic areas with Sustainable Development Goals

The Company's CSR Policy was formulated in 2010 although community welfare work was initiated in Yamuna Nagar, Haryana, as early as in the late 1980's. CSR has been an integral part of its overall vision. It is seamlessly woven into other functions and is not viewed as a separate entity. The founders and senior management have assigned highest value to giving back to society, going out of the way to support projects in Haryana and Punjab where they originally began operations.

JAI CSR is well aligned to the global Sustainable Development Goals (SDGs) that provide a comprehensive framework outlining the 2030 Agenda for Sustainable Development focusing on People, Peace, Planet and Prosperity. The SDGs covers a broad spectrum of issues ranging from climate change, gender inequality, water, sanitation, health and the eradication of poverty, each of this issue is an integral part of JA
