

**MAHANAGAR
GAS**

MAHANAGAR GAS LIMITED

Established in 1995, Mahanagar Gas Limited (MGL) is a natural gas distribution company based in Mumbai. The company is a joint venture between GAIL and BGAPH Group. Fostering the unwavering philosophy of taking care of the community for a sustainable tomorrow, MGL through its community outreach programmes and initiatives contributes and focuses on environmental protection, street children, education, community development, vocational training, shelter homes and animal welfare. Entrenched with a vision for working towards the upliftment of the society, MGL's sustained efforts have touched and enhanced lives reflecting its commitment of serving for the betterment of the society.

Under the banner of 'MGL We Care' various sustainable social activities are conducted throughout the year reaching out to many with a helping hand because we care.

MGL UNNATI(Education)

The only way to transform a nation is to educate the youth of the nation. Focusing on providing assistance to meritorious students from the under served section of the society, MGL Unnati focuses on mentoring and training youth for getting admissions in premier engineering campuses of India. Focusing on long term goals of life, we believe in shaping the future so that the path unknown is defined and not derived.

Key Highlights :

- 11 months of free residential training.
- Started with 10 students and upgraded to 20 students.
- 97% (approx.) got admissions in various engineering institutions.
- 23.3% in IITs/NITs.
- One time scholarships to the top rankers.
- 50 students benefitted till date.

OTHER INITIATIVES IN EDUCATION

Activity Based Learning

Computer Laboratory installed by MGL

Continuing on its policy of promoting education, a computer laboratory was established in MCGM School to drive students in the act of getting familiar with computer knowledge. A computer faculty was also provided as a part of the initiative to mentor the students. More than 250 students are being benefitted from the initiative.

Five schools have been benefitted with installation of 'Mini Science Centre' by MGL to facilitate interactive learning for Science and Maths. We have also extended support to Government schools for creation of infrastructure in order to create a learning environment in schools. We implemented a 'Child Centric Project' in partnership with Magic Bus India Foundation focusing on activity based learning. 1500 children across two slum communities are being benefitted from the project.

MGL HUNAR(Skill Development)

Gas Plumbing Training (MGL Hunar)

General Duty Assistant Training (MGL Hunar)

**MAHANAGAR
GAS**

India faces a peculiar skills gap today. While 30 lakh graduates join the Indian job market every year, only 5 lakhs are considered employable. By 2025, India's demographic dividend is expected to contribute 25% of global workforce. MGL Hunar was developed to meet this gap. General Duty Assistant Training (MGL Hunar) Gas Plumbing Training (MGL Hunar)'MGL Hunar' is an initiative towards Skills Development launched with the objective of enhancing employability of underprivileged deserving youths in MGL's operational area. Areas of focus on training have been on General Duty Assistant (in nursing), Gas Plumbing and Customer Care Executives.

- Nearly 300 youths are proposed to be trained in a year on various employable trades.
- Nearly 75 youths have been trained under the initiative.
- MGL has also extended support for infrastructure up gradation at Vocational Training Centre of Don Bosco Yuva Sansthan.

MGL KOMAL JIVAN (Street Children)

MGL Komal Jivan' is an initiative which seeks to reach out the street children of the society who are deprived of their innocent desires and exposed to tough situations. In partnership with 'Shelter Don Bosco', we aim to rehabilitate such street children.

- 65 children are benefitting from Shelter Home.
- 100% of these children are in formal schools.
- More than 15% have completed education up to 10th standard.
- More than 95% children have bank accounts.
- Nearly 65% are enrolled under Aadhar.
- Nutritional support and health care need taken care off
- Computer training and personality development classes for all.
- Regular workshops / seminars on key issues.
- 2500 street children reached out through outreach activities.
- 54 cases of physical abuse taken care off
- 139 children in need of medical assistance were linked with hospitals.

MGL MUSKAAN

'MGL Muskaan' is a community development initiative designed with the objective of enhancing quality of life amongst members of slum community.

- More than 60 children benefitted from support classes and computer classes.
- 130 children benefitted from Balwadi and supplementary nutrition.
- 40 children benefitted from Spoken English classes.
- More than 550 patients benefitted from free health camps.
- 50 youths getting trained on computer skills and more than 30 females covered under tailoring classes.

Computer Classes (MGL Muskaan)
