

About DLF Foundation:

DLF Foundation was established in 2008 as the philanthropic arm of DLF Limited as a charitable organization, under the direct patronage of Mr. K.P. Singh, the Chairman of the DLF Group. The Foundation believes in 'Building India' from the grass roots by fostering innovative strategies in the fields of Education, Employment linked Skill Development, Healthcare, Infrastructure Development, Community Development, Labour Welfare and Environmental Sustainability. The Foundation has launched three major flagship initiatives such as (a) Skill a Million Programme, (b) Nurturing Talent Programme and (c) Village Cluster Development Programmes.

VISION

Building India's Human and Social Capital by Nurturing Healthy Educated Enterprising and Sustainable Communities

MISSION

Empowering communities by creating multiple opportunities and providing platform for the underprivileged by promoting inclusive growth which is holistic, sustainable and socially uplifting, thus enabling them to emerge as significant contributors in India's growth story.

Flagship Programmes

- ✦ Nurturing Talent Programme
- ✦ Skill Development Programme
- ✦ Integrated Village Cluster Development Programme

Nurturing Talent Programme:

To uplift underprivileged students, DLF Foundation runs a variety of talent nurturing programmes such as awarding of merit scholarships and nurturing talent of rural children through a variety of interventions for marginalised students from Class 1 to Class XII and subsequently supports them to pursue their graduate and post-graduate studies. The project helps to identify, support and nurture talent of deserving children by giving them enough opportunities and space to realise their potential to the fullest. This programme aims to enable the selected scholars to access quality education in appropriate schools and ensures overall development through personality development, mentoring, handholding and counselling.

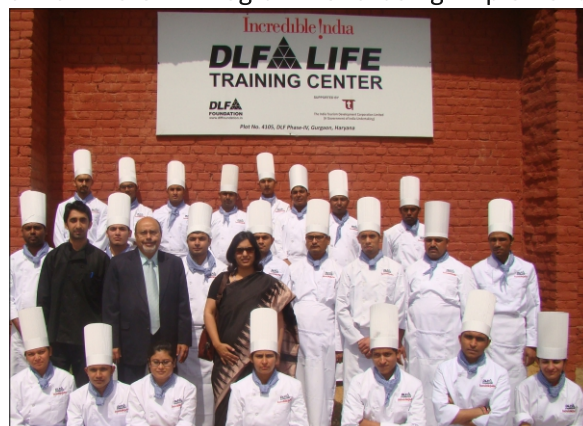

Towards holistic development of children

Skill Development Programme:

DLF Skill Centre launched under 'Skill a Million' Programme

DLF Foundation believes that skilling and linking training with employment is the key for India's growth. With the aim to skill and provide jobs to one million youth across the country in the areas of IT, Construction, Electronics, Retail, Customer Services and Hospitality, the Foundation is establishing Skill Training Centres across the country. Assured Employment linkages have been built into the model to ensure its success. The Centres are well equipped with working laboratories to ensure focus on practical skills. The Skill Programme is being implemented in a manner where skill sector

Enhancing skills for better employment

experts have also been enlisted and are involved in running the centres. A total of 26 DLF Life skills centres have been established so far across the states.

Awards and Recognition

- ✦ Golden Peacock Award 2010 for CSR
- ✦ CII 'National Award for Excellence in Energy Management', 2008
- ✦ TERI Award for Energy Efficiency, 2008
- ✦ Secured over 4,00,000 carbon credits

Integrated Village Cluster Development Programme:

The Cluster Development Programme aims to create opportunities for the underprivileged in order to facilitate a well built foundation. The programme has created new innovative precedents in the realm of nurturing talent. It facilitates integrated growth of villages and a holistic development of underprivileged communities. It also aims to transform identified cluster of villages into vibrant "Model Villages" and promotes these active, diverse and prosperous rural model villages as an easily replicable model for the development of other rural communities precisely on six major development areas: social, economic, environment, health, education and skill development.

Empowering the underprivileged

DLF Foundation undertakes Flood Relief Operation

Other Initiatives:

Food Bank : In addition to its Flagship Programmes, the DLF Foundation has also continued to work on its initiatives like the establishment of Food Bank, launching of many Labour Welfare initiatives and undertaking many environmental initiatives.

India Food Banking Network felicitates DLF Foundation on 'World Food Day'

Veterinary Hospital: India's first State-of-the-art private veterinary hospital (CGS) in Gurgaon with ultra modern facilities like laser surgery, ultra sonic testing and modern lab facilities for animal care was established in Gurgaon.

Pets being treated at the CGS Hospital

GRM: A citizen's movement was launched in partnership with all stakeholders comprising of civil society, businesses and the Government in the form of the "Gurgaon Renewal Mission" (GRM) to resuscitate Gurgaon by providing a platform for all to interact with each other and help bringing about perceptible changes for the betterment of Gurgaon.

Rural schools: DLF Foundation has also helped in establishing 30 rural schools in Haryana, UP and Punjab in partnership with Bharti Foundation. Situated in remote areas, these rural schools educate 12,000 children every year with a focus on the girl child.

SBM Schools: The SBM Senior Secondary School, a Government Aided School in Delhi has been established with the best of infrastructure. Over 830 students studying at the school hail from low income families residing in and around DLF projects.

Uttarakhand Relief programme: DLF Group has contributed immensely to the Relief & Rehabilitation work in Uttarakhand.
