

ENGINEERS INDIA LIMITED

A Navratna Company

Enriching Lives... ...Spreading Smiles

Engineers India Limited (EIL) is one of the leading design and engineering organizations in South Asia. Established in 1965, EIL provides engineering consultancy and EPC (Engineering, Procurement & Construction) services principally focused on the oil & gas and petrochemical industries.

The ethos of company's business vision amply vindicate its unflinching commitments towards thorough integration of EIL's CSR policy & Objectives for operating its core business in a socially responsible way, by taking into consideration the wider interests of the community and the environment, with a vision of promoting sustainable development.

Over the years EIL through its robust systems & procedures has been continually demonstrating the ethics of Project implementation mechanism which mandate reconciliation of social, economic and environmental demands – the three pillars of sustainability and thereby setting a

benchmark in the arenas of operation with complete transparency to all stake holders and to the society at large.

The CSR program in EIL aims to assist socially and economically weaker segments of society, building stronger communities and creating a sustainable environment. The CSR mission of EIL is guided by two elemental ideations, namely, the philosophy of enhancing the educational, health and environmental conditions of the society and towards supplementing/supporting the ongoing and planned initiatives of the local, state or central government with projects / programs being located in and around its work places which includes project sites, regional & branch offices and Head office. The major areas of intervention for CSR projects in EIL that has benefitted the communities at large are education, healthcare, drinking water & sanitation, community development, environment protection & sustainability, rural electrification, women empowerment and upliftment of underprivileged.

CSR initiatives of EIL entail sustained efforts to raise the quality of life of people from the deprived sections of society. EIL under its CSR initiative focuses on community development and inclusive growth. Major projects undertaken are as under:

Education

EIL's contribution towards promoting education aims at creating conducive environment for overall development of the local community. One of the major projects undertaken by EIL in the field of education is Ekal Vidyalaya i.e. One Teacher One School where 100 Ekal Vidyalayas were adopted in the rural villages of Dibrugarh in Assam and 25 Ekal Vidyalayas in rural/tribal areas of Odisha. These Ekal Vidyalayas provide free, non formal education to children in the age group of 6 to 14 years belonging to poor community and are taught by a trained local youth selected by the Gram Samiti. This initiative has benefitted more than 3000 children. EIL has also conducted various value education programmes for around 16000 students in 100 schools of Uttarakhand to enable them to understand the importance of values and virtues in day to day life.

Other key projects supported by EIL include providing free formal education to underprivileged children residing in slums of Delhi/NCR along with uniforms, books, stationery and meals and setting up of Digital Library in Kuppam, Andhra Pradesh to support more than 500 children from rural and government schools towards computer education.

Healthcare

EIL in an endeavor to provide better healthcare facilities to the poor and needy patients belonging to the underprivileged sections of society has proactively undertaken several health-related initiatives under its Corporate Social Responsibility (CSR). EIL celebrated its Golden Jubilee Year by organizing series of Golden Jubilee Eye and General Health Check up Camps across India benefitting more than 24000 people with health and eye ailments. During the camps, patients were provided with free consultation, medicines, referrals and cataract surgeries to maximize the impact of the project.

EIL also supported the installation of Phacoemulsification machine to provide quality health services to the masses and achieve the mission of "Cataract Free Delhi" and Blood Bank Refrigerated Centrifuge for medical care of blood cancer patients in Kolkata.

Drinking water and Sanitation

Safe and clean drinking water is essential for the health and wellbeing of all people. Infrastructure creation for safe drinking water provides a long term benefit to the society. Keeping this objective in mind, EIL's focus has always been to provide people with safe and potable drinking water especially in the areas where water contamination is an issue. To address the problem EIL has supported the installation and construction of Drinking Water Treatment Plants and Reverse Osmosis Water Purification Systems in villages of Kakinada District, Andhra Pradesh, Chikaballapur District, Karnataka and Kancheepuram District of Tamil Nadu impacting more than 10000 rural Households.

Another major project undertaken by EIL is the construction of 20 RO Plants in villages of Kundagol and Kalaghatagi Tuluk, Dharwad District, Karnataka which will benefit more than 5000 Households.

Swachh Bharat-Swachh Vidyalaya Abhiyan

EIL under its CSR initiative has supported Swachh Bharat-Swachh Vidyalaya Abhiyan through construction of 509 no. of school toilets in rural and remote areas of various districts in Bihar, Odisha, Assam and Tamil Nadu. EIL along with the construction of sanitation facilities, it also undertook the initiative of spreading awareness among locals and school children to highlight the importance of basic health and hygiene practices in one's life.

Rural Electrification

India is home to 1.21 billion people as per 2011 census and currently around 55% of households only are electrified. To remedy India's energy shortage, EIL has initiated Solar Electrification projects in the rural villages of India which were not connected to the State Electricity Grid. Under this initiative, EIL has installed 300 LED solar public lighting system in 59 villages across 3 districts of Mizoram covering around 30,000 Households.

EIL has also supported installation of 100 no. of Solar Street Lights in adjoining villages of Paradeep in Jagatsinghpur District, Odisha and 110 no. of Solar LED Street Lights in Badohi District in Uttar Pradesh.

Women Empowerment

EIL under its CSR initiative has supported various projects pertaining to economic empowerment of women by creating livelihood opportunities. Equipments like spiral binding machine, paper cutting machine etc were provided for livelihood training of underprivileged deaf women at New Delhi. EIL is also supporting the livelihood and skill development of 40 underprivileged women & girls in dress making and embroidery thread work in villages around Kota, Rajasthan and livelihood training in cottage industry for 5,000 women from backward areas in Delhi

Environment Protection

In an effort to enhance awareness amongst school children and local population on environmental protection and sustainability, social outreach programs are supported by EIL in the Trans Himalayas region of Leh-Ladakh.

EIL has constructed energy-efficient and environment friendly Green Cremation Systems at different locations in Delhi which is capable of reducing wood consumption by 60% besides minimizing air and water pollution in a significant manner.

Skill Development/Vocational Training

EIL in order to supplement the National growth has supported various CSR projects towards Skill Development and Vocational Training. Employment Oriented Skill Development Training Programmes for Youth/ Women/ Persons with Disabilities/EWS etc. belonging to underprivileged communities at Bhopal and Faridabad, Chennai and various parts of India are being conducted to reach out to more than 3000 candidates.

Upliftment of the Underprivileged

For the benefit of various segments of people from underprivileged section of society, EIL has undertaken various CSR projects especially those related to Infrastructure development.

In a commitment for working towards benefit of Senior Citizens, EIL has supported construction of Old Age Home at Mirzapur, UP and at Garhmukteshwar, Lathira. EIL has also supported purchase & installation of a Lift at John's Day Care and Boarding; provided diapers to old disabled persons in Vridh Ashram, Delhi; provided health care medical equipments for mentally and physically challenged destitute old aged and installed solar panels & water heater systems. EIL has also undertaken projects for benefit of person with disabilities by distribution of Aids & Appliances in districts of Odisha & Assam.
